QCCC

QUEENSLAND CONFERENCE & CAMPING CENTRES

BRISBANE – EXPEDITIONS - MAPLETON – SURVIVAL CAMPS – TAMBORINE MOUNTAIN

TO WHOM IT MAY CONCERN

Queensland Conference and Camping Centres (QCCC) is committed to the highest standards of child safety, wellbeing, and risk management across all our sites and programs.

QCCC is a regulated organisation under Queensland's *Working with Children (Risk Management and Screening) Act 2000*, and we fully comply with the "No Card, No Start" laws administered by Blue Card Services. This legislation requires that all employees engaged in child-related employment must hold a current and approved Blue Card before they can commence work.

In accordance with our Child and Youth Risk Management Strategy, QCCC ensures that:

- Every employee in child-related roles holds a valid and current Blue Card, verified prior to starting employment;
- Blue Card renewals and obligations are actively monitored throughout employment;
- Compliance records are securely maintained, in line with privacy legislation;
- No individual may work in a child-related role without meeting these legal requirements.

While we are unable to provide individual Blue Card details due to privacy and identity protection laws, this declaration is provided to assure you of our rigorous child safety protocols and legislative compliance.

For further reference, our full *Working with Vulnerable People – Child and Youth Risk Management Policy and Guidelines* is available at:
www.qccc.org.au

Thank you for your enquiry. We appreciate your commitment to student safety and look forward to supporting your next camp with us.

Yours sincerely

Andrew Grant BEc MA
Director
Queensland Conference and Camping Centres
